LYRICS BY ANDREW WHITTAKER

I'm over it  
You see I'm falling fast  
Clouded by memories in the past  
At last, I see

I hear it crashing  
I can't speak it  
or else I will lose  
you fear them finding  
Out about you

I cannot be forsaken  
Because I'm the only one  
Fighting  
Most of us  
Must hide from everyone

I'm over it  
Why can't we be together  
At last, I see

I hear it crashing  
I can't speak it  
or else I will lose  
you fear them finding  
Out about you

I cannot be forsaken  
Because I'm the only one  
Fighting  
Most of us  
Must hide from everyone

I cannot be forsaken  
Because I'm the only one  
Fighting  
Most of us  
Must hide from everyone

I cannot be forsaken  
I cannot be forsaken  
I cannot be forsaken
