Popsicle Toes

Michael Franks

Art of Tea

And when God gave out rythm

He sure was good to you.

You can add, subtract, multiply and divide...

By two.

I know today's your birthday,

And I did not buy no rose.

But I wrote this song instead and I call it,

"Popsicle Toes".

Popsicle toes.

Popsicle toes are always froze.

Popsicle toes.

You're so brave to expose all those popsicle toes.

You must have been Miss Pennsylvania

With all this pulchritude.

How come you always load your Pentax

When I'm in the nude?

We oughta have a birthday party,

And you can wear you birthday clothes

We can hit the floor
And go explore those
Popsicle toes.
You got the nicest North America
This sailor ever saw.
I'd like to feel your warm Brazil
And touch your Panama
But Your Tierra del Fuegos
Are nearly always froze.
We gotta see saw
until we unthaw those
Popsicle toes.
Popsicle toes.
Popsicle toes are always froze.
Popsicle toes.
You're so brave to expose all those popsicle toes
