Love

When we touch I shiver

Just body language

Can you blame it

My love's like a raging river

And I think you're the one to tame it

You

You're the quiet shy type

You always whisper never shout it

Ooh

Baby you are my type

Why don't you tell me all about it

I got ways to make you

Make you tell me all about it

That's what I'm gonna do

Make you tell me all about it

Makin' love till you do

Me

I'm a lousy loner

Call my number come be near me

Me

I'm a soulful moaner

Stay chez moi so you can hear me

You

You're the quiet shy type

You always whisper never shout it

Ooh

Baby you are my type

Why don't you tell me all about it
