When Sly calls  
The profit speaks  
When Sly calls  
The secret leaks  
The sky falls  
The dice are tossed  
The war is won  
The battle's lost  
When Sly calls  
It's thirteen takes  
When Sly calls  
The summer breaks  
The sky falls  
The rain begins  
And on the box some Leon spins  
To insulate me from the icy aftershock I feel each time  
That Sly calls  
(Don't touch the phone)  
I am not here  
I'm making my escape  
The me you hear  
Is magnetized on tape  
I'm flying south  
For snorkeling and sleep  
(Ã CÃ'te d'Azur)  
Just leave your message when you hear the  
(Don't you dare touch that phone)  
When you hear the  
(Don't you dare touch that phone)  
When you hear the  
(Don't you dare touch that phone)  
When you hear the beep  
When Sly calls  
It's tit for tat  
When Sly calls  
It's rat eat rat  
The sky falls  
The signal fades  
I lock the door and shut the shades  
And contemplate the crystal blue familiar funk I'm  
plunged into
