Let us consider all the complications
Every reason I can't be with you
I want to document each reservation
The have nots that we must undo

We're not suited, not stupid, not the loving kind
Much too busy to have the time
But it's your kisses I live for
Love's not a half time score
Take love but take it from me

Love is driving me insane
Love is driving me insane

When the wind howls through the railway sidings
And the night has nowhere else to go
It seems a sorry way to solve a problem
A drama but never a show

Play acting and banking on forgetting you
Small town lovers or Newcastle blue
Your excuses amuses
The someone who loses
So make love but make it with me

(Love me madly, I don't care
I don't want you in my hair)

You instate fury
With my denied and my unrequited...
