We live

We live

We live

We live

We live

I dug deep down in my soul  
Brought it back for rock 'n roll  
And those who live to rock

Went around the world to get it straight  
About who's number one, who's second rate  
For a few who live to rock

Jealous hoped we fall, but here we stand  
We came back to take command  
Cause we, we live to rock

[ CHORUS (2X) ]

We live to

Rock

Rock

Rock

Rock

You get in your car, gas to the floor  
You're the one who lets it roar  
Cause you, you live to rock

You go to school, you carry a box  
The teacher tells you you better stop  
But you don't, cause you live to rock

You go to the club, you're under-aged  
You sneak in back just to get onstage  
Cause you, you live to rock

No matter what they say, don't change your ways  
Just rock with us all night and day  
Cause we, we live to rock

[ CHORUS (2X) ]

We live to  
Rock  
Rock  
Rock  
Rock

We come off hard, cause that's the style  
Record it, put that on file  
Cause we, we live to rock

They put us down every day of the year  
Nevertheless we made it clear  
That we, we live to rock

So when they get on your back about everything  
Just open your mouth, just open your mouth - and sing

[ CHORUS (2X) ]

We live to  
Rock  
Rock  
Rock  
Rock
