I was down on the floor
Why get up
Just to take more?
I was down

I was down
Down and out
I know what life was all about
Being down and out

Why did you think that I was lying
When I said I can't go on?
I'd had enough of trying
Everything had gone

I have felt every blow
All the pain I need to know
I think I know enough
Enough to know

If I was wrong, so were you
And there was nothing I could do
Do to make it right
And make it through

Why did you think that I was lying
When I said I can't go on?
I'd had enough of trying
Everything had gone
