Hey, I'm not the type
To say one thing and do another
And if it's all right I'd kind
Of like to be your lover
Cause when you're with me I can't help but be
So desperately, uncontrollably happy!

And hey, I'm not the kind
To fall in love without good reason
And if that's a crime
Then, baby, I'm committing high treason
Cause when you're with me
I'm absolutely and totally
Quite uncontrollably happy!

And hey, I'm not so blind
That I can't see where we're all going
And it's no fault of mine
If humankind reaps what it is sowing
Just as long as we are together forever
I'll never be anything other than happy!

Hey, don't be surprised
If millions die in plague and murder
True happiness lies
Beyond your fries and happy burger
