Little acts of kindness
Make us all feel better
Unexpected flowers
Unrequested letter

So when somebody calls you
Give a friendly answer
And when somebody fails to call
Remember that we've all been there before

Little acts of kindness
Ill-conceived and reckless
Stay in bed this morning
Let me make you breakfast

So when somebody needs you
Do your best to help them
Cos when somebody needs your help
Rememberwell, we've all been there before

Little acts of kindness
Little things you can do
Helping those with blindness
Saying "please" and "thank-you"
Making cups of coffee
Giving friends your rolo
Going to the offy
Feeding horses polos
Keeping your bedroom neat
Giving children dairylea
Putting down the loo seat
Doing work for charity
