

Divine Comedy, The "Sweden"

Visit "[Sweden](#)" on MotoLyrics.com

I would like to live in Sweden
When my work is done
Where the snow lies crisp and even
'Neath the midnight sun
Safe and clean and green and modern
Bright and breezy, free and easy
Sweden, Sweden, Sweden, in Sweden

I am gonna live in Sweden
Please don't ask me why
For if I were to give a reason
It would be a lie
Tall and strong and blonde and blue eyed
Pure and healthy, very wealthy
Sweden, Sweden, Sweden, in Sweden

I'll grow wings and fly to Sweden
When my time is come
Then at last my eyes shall see them
Heroes everyone
