I see your face in my mind as I drive away.  
But none of us thought it was gonna end that way.  
People are people and sometimes we change our  
minds.  
But it's killing me to see you go after all this time.

(Humming)

Music starts playing like the end of a sad movie,  
It's the kind of ending you don't really want to see.  
Cause as tradgedy ends it'll only bring you down,  
And I don't know what to be without you around.

And we know it's never simple never easy.  
Never a clean break, no one here to save me.  
You're the only thing I know,  
Like the back of my hand.

But I can't breathe without you, but I have too.  
Breathe, without you but I have too.

Never wanted this, never wanna see you hurt.  
Every little bump in the road I tried to swirve.  
People are people and sometimes it dosen't work out.  
Nothing we say is gonna save us from the fallout.

And we know it's never simple never easy.  
Never a clean break, no one here to save me.  
You're the only thing I know,  
Like the back of my hand.

But I can't breathe without you, but I have too.  
Breathe, without you but I have too.

It's two A.M.  
Feeling like I just lost a friend.  
Hope you know it's not easy, easy for me.

It's two A.M.  
Feeling like I just lost a friend.  
Hope you know this aint easy, easy for me.

And we know it's never simple never easy,  
Never a clean break no one here to save me.  
Oh.  
And I can't breathe, without you but I have too.  
Breathe, without you but I have too.  
Breathe, without you but I have too.

Sorry, I'm sorry, sorry, I'm sorry, I'm sorry, I'm sorry,  
sorry.
