So baby keep my heart beat, beat beat beatin'  
For some reason I keep believing,  
That we can stay like this you knoo-oo-ow

Beat beat beat beat beatin' [X2]

Heyy hey beautiful!  
Sunshine shines oh so bright  
Oh I lay it back  
Spend the night just staring at you

Every grain of sand,  
That you drew me pictures in,  
There was one for every time my heart jumped again

So baby keep my heart beat, beat beat beatin'  
For some reason I keep believing,  
That we can stay like this you knoo-oo-ow

Heart beat, beat beat beatin'  
So close your eyes,  
Don't say a word  
You're much too beautiful  
You heard,  
The way my heart keeps beat beat beatin'

Every grain of sand,  
That you drew me pictures in,  
There was one for every time my heart jumped again

So baby keep my heart beat, beat beat beatin'  
For some reason I keep believing,  
That we can stay like this you knoo-oo-ow [X2]

Beat beat beat beat beatin' [X4]

So baby keep my heart beat, beat beat beatin'  
For some reason I keep believing,  
That we can stay like this you knoo-oo-ow [X2]

Every grain of sand,  
That you drew me pictures in,

There was one for every time my heart jumped again
