And you don't have the clue  
But every time it's just another way for you  
To get me going  
To get me joey

And the things you do to me  
Is enough for me to slide your apologies  
Right on by me  
Right on by me

And tonight is the night I...

I'm t-t-tickin like a timebomb baby baby  
When you told me to forget you I went crazy  
But now I'm here and I doubt you'll see me standing  
still  
Cuz I'm waiting for the time  
To let it go

And I don't want to do what I've been doing  
And it's time to make it through another day of holding  
on  
And you've become a mess  
SO STOP  
And build back up  
To what you used to be

I'm t-t-tickin like a timebomb baby baby  
But when you told me to forget you I went crazy  
But now I'm here and I doubt you'll see me standing  
still  
Cuz I'm waiting for the time  
To let it go
