Say you're sorry  
That face of an angel comes out  
Just when you need it to

As I pace back and forth all this time  
'Cause I honestly believed in you

Holdin' on,  
The days drag on  
Stupid girl, you should have known  
You should have known

That you're not a princess  
This ain't a fairytale  
You're not the one I'll sweep off your feet  
Lead you up the stairwell  
This ain't Hollywood  
This is a small town  
I was a dreamer before I went and let you down  
Now it's too late for me and my white horse  
To come around

And baby, I was naive  
Got lost in your eyes, I never really had a chance  
My mistake, I didn't know to be in love  
I had to fight to have the upper hand

I had so many dreams about you and me  
Happy endings, now I know

That you're not a princess  
This ain't a fairytale  
You're not the one I'll sweep off your feet  
Lead you up the stairwell  
This ain't Hollywood  
This is a small town  
I was a dreamer before I went and let you down  
Now it's too late for me and my white horse  
To come around

And there I am on my knees  
Beggin' for forgiveness

Beggin' you please  
Just like I always wanted but I'm so sorry

'Cause you're not my princess  
This ain't a fairytale  
You're gonna find someone someday who might  
actually treat you well  
This is a big world  
That was a small town  
There in my rear view mirror dissappearin' now  
And it's too late for me and my white horse  
Now it's too late for me and my white horse  
To catch you now

Whoa, try and catch you now  
Oh, it's too late to catch you now
