What day is it? And in what month?
This clock never seemed so alive
I can't keep up and I can't back down
I've been losing so much time

'Cause it's you and me and all of the people with
nothing to do
Nothing to prove
And it's you and me and all other people
And I don't know why, I can't get my eyes off of you

One of the things that I want to say just aren't coming
out right
I'm tripping on words
You've got my head spinning
I don't know where to go from here

'Cause it's you and me and all of the people with
nothing to do
Nothing to prove
And it's you and me and all other people
And I don't know why, I can't keep my eyes off of you

There's something about you now
I can't quite figure out
Everything she does is beautiful
Everything she does is right

'Cause it's you and me and all of the people with
nothing to do
Nothing to lose
And it's you and me and all other people
And I don't know why, I can't keep my eyes off of you
And me and all other people with nothing to do
Nothing to prove
And it's you and me and all other people
And I don't know why, I can't keep my eyes off of you

What day is it?
And in what month?
This clock never seemed so alive
