"and in a funny way, the shaving of my, uh, head has been a liberation from, uh, a lot of, uh, stupid vanities really. uh, it has simplified everything for me, it has opened a lot of doors

."

[sm]

I'm not what you think I am  
I'm the king of siam  
I've got a bald head  
My name is yul bryenner  
And I am a famous movie star  
Perhaps you saw me in westworld  
I acted like a robotic cowboy  
It was my best role  
I can not deny i  
Felt right home deep inside  
That electronic carcass

You're such monumental slime  
Let the punishment fit the crime  
Tie it to a chair  
The house music will blare  
And turn your ears into  
A medicinal jelly  
Stay inside on christmas day  
And make believe that you are my candy cane  
You said, "i'm not that type,  
No I'm not sweet, and I'm not overripe

Bob dylan sang in  
"its alright mama I'm only bleeding",  
Everything from toy guns that spark to flesh colored  
christs that glow in the dark  
Its easy to see we got in too far and not much is really  
sacred.
