Vegan living, so healthy and clean  
So much brown rice, so many mung beans  
And no meat, not one bite of meat  
Juicy meat, succulent meat.

Instead I get, gluten and sea weed stew.  
Rice milk and lentils and fuckin tofu  
I respect every creature from horse, fowl and owl  
I'd blow a goat for some bacon right now  
Yeah I'd blow a goat for some bacon, right now

You eat your southern fried chicken  
And I'll just have fruit  
How's that T-bone?  
No really, it's cool  
I'll just chew on this turnip root  
With a couple chick peas  
Kill me please

I'm tired of hummus  
And bulgur wheat  
Tofurkey tofuck yourself  
I want some meat  
I respect every creature the birds and the bees  
Well I'd eat the shit out some Whopper with cheese  
Believe me I'd fuck up that Whopper with cheese

(Whoa) alfalfa sprouts and a red bean  
A handful of trail mix  
Mmm what a treat  
How about some soy yogurt served in a bowl?  
I'd rather eat a hobo's asshole  
Yeah I'd rather eat a hobo's asshole

"Deleted Lyric"

Instead I want Prime Rib  
And Filet Mignon  
Baby-back ribs that fall off the bone  
For a piece of brisket  
Rubbed in the south

I'd let Magic Johnson bleed in my mouth  
I'd let Magic Johnson bleed in my mouth
