Hey,
well we come from Alabama, but were in Afghanistan
were navy seals and green marines, hunting for a man
they say he has a beard, a face, a dipper on his head
I heard we wont be coming home until that fucker's
dead
OhBinladin oh don't you die to quick
I've come to fuck your fanny with some anthrax on my
dick
when Osama's finally captured lets not cut off his dork
lets handcuff both his testicles and drag him to New
York
there well contact firemen
turn on a power hose
screw it to sphincter until shit comes out his nose
OhBinladin oh don't you die to quick
I've come to fuck your fanny with some anthrax on my
dick
haha yeah
we realize that prison food will probably give him gas
so instead let launch a bunker bomb up his fucking ass
goodbye asshole you fucking make me gag
your like ten pounds of camel shit
in a nine pound bag
