Charlie Brown had a big block head wore a stripy  
sweater everyday  
Tried to kick the football but Lucy always pulled the  
mother fucker away  
Flew a kite so he'd try to relax but he always put that  
shit in a tree  
And a little red-headed girl wouldn't give no play to  
poor Chuck B  
They were the badest fuckers in the funny papers  
PEANUTS!

Onto a security blanket, Linus VanPelt would latch  
Snuggling to that bitch to keep warm while waiting in a  
pumpkin patch  
Had a stalker named Sally Brown well she always tried  
to get her some  
She loved the way he knew the meaning of Christmas  
and the sexy way he sucked that thumb  
Well Marma Dukes a hobo Garfield is a pussy  
PEANUTS!

Oh Peanuts crazy Peanuts  
A bunch of kids trying to be free yeah  
Take my hand and let's dance know  
Under Charlie's shitty Christmas tree  
PEANUTS!

Well Marcy was best friends with Patty Peppermint  
She would love to do things to that girl that Charles M.  
Schulz can't print  
Pigpen was a dusty dude who couldn't keep his own  
ass clean  
All the teachers said "wa wa wa wa wa" what does that  
shit mean?  
Snoopy said "Red baron suck my beagle dick"  
PEANUTS!

Oh Peanuts crazy Peanuts  
Come from the school of hard knocks  
Life's not always bowls of candy  
Sometimes you just get a bag of rocks

Lucy was a psychiatrist but her comments always gave  
offense  
And the bitch couldn't make no money cause she'd  
charge a mother fucker 5 cents  
All the ladies loved that Schroeder cause he'd play the  
80's hits real good  
And Franklin was a real cool cat but the only brother in  
that hood  
Sometimes you have to shout "Good grief" into the  
heavens GOOD GRIEF!

Oh Peanuts crazy Peanuts  
Don't let this mean world get you down  
Take that kite and fly high now  
You're a good man Charlie Brown

Oh Peanuts crazy Peanuts  
A bunch of kids trying to be free  
Take my hand and let's dance now  
Under Charlie's shitty Christmas tree
