[deado]

Feel the work

Of the tooth-impacting jerks,

Seem to measure you for size,

They got metal in their eyes [oh yeah]

We're chasin' performance and several moods

We're chasin' performance and several moods

Times where easy wages fat,

Stumble on inflated stats

Jan, you took me far into a long line.

Divine divine divine divine

Jen, you took me far into a long line.

I can't employ employ the tactics,

Already rented them out to my friend snake/schnake

The equinox tail- chaser -- super frail

Smoking in the fog,

Set a trap in the mirage,

Well we'll never see the rights

That won't see the libel

They'll file the fine,

Jen, you took me far into a long line.

Divine divine divine divine

Jen, you took me far into a long line.

Divine divine divine divine
