Hopscotch Willie  
Swore he was framed  
He was a mark not a killer  
So he declaimed

It was a classic example of a fall guy

Facts all point to a skinny white ass  
He had the motive and the means  
And the weapon to match

And if he managed to escape the long arms of the law  
I will be shocked  
Because I know that he  
Is going down

The Dick said to Willie  
You're in the clink  
So save the pity party for the  
County shrink

I'm sure he'll find some profound  
Parallels to mine

You can't blame me  
For my guilty face  
It was a gift from my mother  
My father in place of all the love

They should have given they  
Just left me with this dirty DNA  
That makes you think  
I'm the one that you want

Do a little hopscotch  
Do a little hopscotch  
Do a little hopscotch  
Willie Hopscotch  
Do a little hopscotch  
Willie hopscotch  
Do a little Willie hopscotch  
Willie hopscotch

Do a little hopscotch  
Willie hopscotch  
Do a Willie Willie hopscotch  
Willie hopscotch

Do a little hopscotch  
Willie hopscotch  
Do a little Willie hopscotch  
Willie Willie hopscotch yeah

This all went down  
Not far away  
Just a weak stones-throw  
From Sheep's-Head Bay

A corpse was found  
In pieces  
Underneath the pier  
With beer

Willie was found  
Not far from the scene  
He was panting like a Pit-bull  
Minus the mean

He was panting like a Pit-Bull  
Panting like a Pit-Bull

Minus the mean  
Minus the mean
