im on my own  
im alone on the road  
with no one  
beside me  
no one  
near me  
if i were to  
return what would become  
of us  
nothing!  
poor me!  
why!  
how could you do this to me!

im out alone  
thinking of the things  
we had  
in the past  
but its gone and will never come back  
ive been the best youve ever had

im never coming back!  
never!  
never!

ive made up my  
mind so please stay  
away from me inside  
i feel nothing  
not even the wind on my face  
not even the pain im about to face
