Aye, she said how could you treat me this way?  
What we had was more than words could say  
Two times the echos of my mind  
That don't know where else this love I'll find

She's fed up, she's fed up  
She's fed up, she's fed up

She said our relationship is over standing  
And sometimes people are just too demanding  
Well, I cant help this feeling that I get  
Lord, I wonder if I will regret

She's fed up, she's fed up  
She's fed up, she's fed up

She said how could you treat me this way?  
What we had was more than words could say  
Two times the echos of my mind  
And that don't know where else this love I'll find

She's fed up, she's fed up  
She's fed up, she's fed up

Aye, oh, I wonder if I will regret  
Lord, I wonder if I will regret  
And that don't know where else this love I'll find  
That don't know where else this love I'll find

She's fed up, she's fed up  
She's fed up, she's fed up
