Now I know [x12]

You give your more receive your less
I guess some things never change
Cause here I am alone again
Though I find that rather strange

I think of things we used to do
But I guess that's only me
And all the stages we've been through
But it wasn't meant to be

And I said if I could have my dreams
At least if nothing else
And mama never raised no fool
Can feel things for myself

What used to be unbreakable
Thought this bond would never break
But nothing's permanent in life
All except for change

But
Now I know [x12]

And I said if I could have my dreams
At least if nothing else
And mama never raised no fool
Can feel things for myself

What used to be unbreakable thought
This bond would never break
But nothing's permanent in life
All except for change

But
Now I know [x12]
