Which way from here, I'm caught up in the pages of my  
mind

And it's not so clear but it seems the hurt is way too  
much this time

'Cause I see a vain look in your eyes

Tell me, do you see the same, same look in mine?

Sandpaper kisses, paper cut bliss

Don't know what this is but it all leads to this

You're gonna leave her, you have deceived her

Ooh, just a girl

Now here I go again, she said, "I'll break her heart  
again"

She plays the fool again, she said, "I'll break the rules  
again"

Though I disagree, she thinks she knows me more than  
me

It's so hard to see what this voice keeps telling me

Ooh, just a girl with featherweight curls

To expose all she knows, you play like tease

Just a girl with featherweight curls

To expose all she knows, you play like tease

You're gonna leave her, you have deceived her

Ooh, just a girl
