Can Anybody Tell Me? by De Havenzangers
Can anybody tell me what I'm doing here
I try to stay alive in a world of fear
I just look out my window and guess what I see?
All those kinds of misery, it makes me angry

Can anybody tell me why? Can anybody tell me how?
Can anybody tell me why? Can anybody tell me how?

Can anybody tell me if there is life after death?
Where do I go after I've taken my last breath?
Don't tell me that's something only God knows
Cause I've never met Jesus and I don't like
muppetshows

Can anybody tell me why? Can anybody tell me how?
Can anybody tell me why? Can anybody tell me how?

My head is full of questions about this life
There is none who can tell me which way to survive
I just don't know which way I have to choose
Maybe I will win but at the end I will lose
But I'm not a coward and I'll choose to fight
The future will learn what's wrong and what's right

Can anybody tell me why? Can anybody tell me how?
Can anybody tell me why? Can anybody tell me how?
he right to call us human the right to kill & fight
We destroy a beautiful world that isn't even ours
But once it is enough within years or maybe hours!

No one (no one), No one (no one), No one (no one) can
tell me why!
No one (no one), No one (no one), No one (no one) can
tell me why!
No one

Can tell me why (why), why (why), why (why), Can tell
me fucking why
Can tell me why , why, why
Can tell me, can tell me why (why), why (why), why

(why)

Can tell me, can tell me why
