Collect-call To God by De Havenzangers
The way it was, it will never be again
A kid fought like a brave young man
Nothing seen of live yet
Taken away in a fight with death
You couldn't hold it You wouldn't let it go
You fought an unfair fight You've lost and it be so

Collect-Call to God, hey you there above
You filthy motherf*cker, is this what you call love?
Some people tell us "God's love is real"
But it's a young kid's live you steal
You infanticide!

So many dreams, so many things to do
I wonder if it's nice, this place you went to
We could just watch your struggle for live
Just watch your pain, just watch your strife

Collect-Call to God, hey you there above
You filthy motherf*cker, is this what you call love?
Some people tell us "God's love is real"
But it's a young kid's live you steal
You infanticide!

You're a hero You couldn't win your war
You've given all you had there is no more..

Collect-Call to God, hey you there above
You filthy motherf*cker, is this what you call love?
Some people tell us "God's love is real"
But it's a young kid's live you steal
You infanticide!
