I Can't Change The World by De Havenzangers  
You tell me to conform but I won't  
You tell me to shut up but I don't  
You tell me it doesn't make sense  
To me there is more than hanging out with friends

I can't change the world  
But you'll hear my voice

Don't you think I see it's a mess?  
Don't you think I hate all this stress?  
Why don't you stand up and fight  
I won't say it help but it might

It seems I stand alone in a crowd  
But I continue to open my mouth  
If people don't talk anymore  
They have started a new useless war
