"4U"

Visit "[4U](#)" on [MotoLyrics.com](#)

I'm looking for a friend, so take me as I am
The world is filled with lies, evil never ends
My soul is turning pale, my wind ain't got no sail
But when I see you smile, I know that I'll prevail

I'll live 4u and I, you keep me alive
Girl, you keep me alive, you keep me alive
Break my heart and I'll die, you keep me alive
Girl, you keep me alive, ohh

It's all I ever knew and so I turn to you
To keep me from the cold, is all you have to do
'Cause you're my only shield, when sorrow makes me
feel
As if there is no hope but I just need to heal

So if you just give me time, I swear to you that I
Will treat you like a queen, forever by your side
So be patient with me, everybody makes mistakes
But there will be no morning, if you're not there when I
awake

I'll live 4u and I, you keep me alive
Girl, you keep me alive, you keep me alive
Break my heart and I'll die, you keep me alive
Girl, you keep me alive, ohh, you keep me alive

I'll live 4u and I, 'cause you keep me alive
Girl, you keep me alive, don't you know?
(Girl, I need you)
Don't you know? Don't you know?

Break my heart and I'll die, 'cause you keep me alive
(And I need you girl)
Girl, you keep me alive
(Don't you know? That you keep me, you keep me alive)

I'll live 4u and I, so please keep me alive
(Ohh, baby, know that I, ohh)
I'll live 4u and I, so please keep me alive, babe
(Ohh, baby, know that I, ohh)

I'll live 4u and I, so please keep me alive, ohh, baby
I'll live 4u and I, so please keep me alive, babe
I'll live 4u and I, so please keep me alive, ohh, baby
(Ohh, baby, know that I'll live 4u, ohh)

I'll live 4u and I, so please keep me alive, babe
(Ohh, baby, know that I'll live 4u)
I'll live 4u and I, so please keep me alive, babe
(You know I'll live 4u)
I'll live 4u and I, so please keep me alive, babe
(Know I'll live 4u)

I'll live 4u and I, so please keep me alive, babe
(You know I'll live 4u)
I'll live 4u and I, so please keep me alive, babe
(Know I'll live 4u)
I'll live 4u and I, so please keep me alive, keep me alive
