I try to be the lover that you wanted
But I'm trapped inside myself
Well, well, well
I try to see why our love was haunted
Though my heart is strong
I can't right what's wrong
If you find her hold her
I don't want to let you go
It ain't over
'Till it's over, oh no

I can't help the way I feel
I can't get what I don't have
Anything you want me to I will
But I can't do that
I can't help the way I feel
I can't get what I don't have
Anything you want me to I will
But I can't do that

The feeling worth the feeling that's come over
To win we got to fight
If we lose we got to pay ay yeah
I love you so
That's all I wanted you to know
I hope we live to tell
Will we break the spell

If you find her, hold her
I don't wanna let you go
It ain't over
It ain't over, it ain't over
Until it's over

I can't help the way I feel
I can't get what I don't have
Anything you want me to I will
But I can't do that
I can't help the way I feel
I can't get what I don't have
Anything you want me to I will
But I can't do that

I just can't do that
I just can't do that
I just can't do that girl
Anything you want me to
