You'll be swell, you'll be great
Gonna have the whole world on a plate
Starting here, starting now
Honey, everything's coming up roses.
Clear the decks, clear the stacks
We've got nothing to do but relax
Blow a kiss, take a bow
Honey, everything's coming up roses.
Now's our inning
Stand the world on its ear
Set it spinning
That'll be just the beginning.
Curtain up, light the lights
We got nothing to hit but the heights
You'll be swell, you'll be great
I can tell, just you wait
That lucky star I talk about is due
Honey, everything's coming up roses for me and for
you.
You can do it, all you need is a hand
We can do it, Mama is gonna see to it.
Curtain up, light the lights
We got nothing to hit but the heights
You'll be swell, wait and see
There's the bell, follow me
And nothing's gonna stop us till we're through
Honey, everything's coming up roses and daffodils
Everything's coming up sunshine and Santa Claus
Everything's gonna be bright lights and lollipops
Everything's coming up roses for me and for you.
