My Friends

TODD:

These are my friendsâ€¦
See how they glisten
See this one shineâ€¦
How he smiles in the light
My friends
My faithful friends

Speak to me friendsâ€¦
Whisper, I'll listen
I know, I know
You've been locked out of sight all these years
Like me my friends
Well I've come home
To find you waiting
Homeâ€¦And we're together
And we'll do wonders
Won't weâ€¦

(Todd and Ms. Lovett sing simultaneously)

TODD:

You there my friendâ€¦
Come let me hold you
Now, with a sigh
You grow warm in my hand
My friendâ€¦
My clever my friend

MS. LOVETT:

I'm your friend too, Mr. Todd
If you only knew, Mr. Todd
Ooh, Mr. Todd you're warm in my hand
You've come home
Always had a fondness for you, I did

TODD:

Rest now my friendsâ€¦
Soon I'll unfold you

Soon you'll know splendors you never have dreamed
all your days
My lucky friends

MS. LOVETT:

Never you fear, Mr. Todd
You can move in here, Mr. Todd
Splendors you never have dreamed all your days will
be yours
I'm your friend

TODD:

Till now your shine was merely silver
Friends
You shall drip rubies
You'll soon drip precious rubies

MS. LOVETT:

And you're mine
Don't they shine beautiful?
Silver's good enough for me
Mr. T

TODD (spoken):

At last my arm is complete again
