New York City years ago  
Tourists in the rain  
Singin' on the swing shift  
For pennies

Thinkin'bout the bayou  
Cajun river song  
Almost got my head broke  
In Texas

Purple Peacock Honky-Tonk  
Eunice, Louisiana  
Bourbon whiskey free, son,  
Just tune up the piano

Workin' clubs in New Orleans  
Bringin' down a dollar  
College boys drink beer  
And throw the bottles

It's been a long long long way >  
I got some more to go>  
Don't look at my shadow>  
Its behind me> chorus  
It's been a long long long way >  
In twenty years or so>  
Thinkin'bout those times>  
Might amuse me>

L.A. Forum Sports Arena  
Twenty thousand fans  
Glas ya come to listen I'm gomma  
Give you everything I can

I always had to play my music  
Play it best I could  
Hope you in the stands  
Can hear me good

California dreamin' nearly put me down for good  
Colorado Rocky Mountains saved my senses

Chorus --
