I'm here again in the city
Reminds me of the time I drove to town to pick you up
Then we talked of leaving
We knew the bags we packed in the back would be
enough
And it makes me wonder why we didn't go

Oh no Miss Dani
Why are we here in this town?
We could be driving
We could be to Mexico by now
Now Miss Dani
Why are we here on our own?
We could be together
Laying on a beach in Mexico
Miss Dani

I know timing wasn't perfect
When you said you wished we had met five years from
now
You know I will be waiting
I still think we should have left two weeks go
And i think that deep inside you you still know

Oh now Miss Dani
Why are we here in this town?
We should be driving
We should be to Mexico by now
Now Miss Dani
Why are we here on our own?
We could be together
Lying on a beach in Mexico

And something I don't want to do
Is leave here without you
You know I could never stay
So I'm leaving anyway

Oh now Miss Dani
Why are we here in this town?
We should be driving

We should be to Mexico by now
Now Miss Dani
Why are we here on our own?
We sould be together
Laying on a beach in Mexico
Now Miss Dani
