It's her hair and her eyes today  
that just simply take me away  
and the feeling that I'm falling further in love  
makes me shiver but in a good way  
All the times I have sat and stared  
as she thoughtfully thumbs through her hair  
as she purses her lips, bats her eyes and she plays,  
with me sitting there slack-jawed and nothing to say

'cause I love her with all that I am  
and my voice shakes along with my hands  
cause shes all that I see and shes all that I need  
and I'm out of my league once again

It's a masterful melody when she calls out my name to  
me  
as the world spins around her she laughs,  
rolls her eyes and I feel like I'm falling  
but it's no surprise

'cause I love her with all that I am  
and my voice shakes along with my hands  
'cause it's frightening to be swimming in this strange  
sea

but I'd rather be here than on land  
yes she's all that I see and she's all that I need  
and I'm out of my league once again.

Its her hair and her eyes today  
That just simply take me away  
And the feeling that I'm falling further in love makes  
me shiver, but in a good way  
All the times I have sat and stared  
As she thoughtfully thumbs through her hair  
As he purses her lips, bats her eyes And she plays with  
me sitting there slack-jawed and nothing to say

'cause I love her with all that I am  
and my voice shakes along with my hands  
'cause it's frightening to be swimming in this strange  
sea

but I'd rather be here than on land  
yes shes all that I see and shes all that I need  
and i'm out of my league once again
