It's her hair and her eyes today
that just simply take me away
and the feeling that i'm falling further in love
makes me shiver, but in a good way

All the times i have sat and stared
as she thoughtfully thumbs through her hair
as she purses her lips
bats her eyes
and she plays with me
sitting there, slack-jawed and nothing to say

[Chorus:]
Cos i love her with all that i am
and my voice shakes
along with my hands

Cos she's all that i see and she's all that i need
and i'm out of my league once again

It's a masterful melody
when she calls out my name to me
as the world spins around her
she laughs, rolls her eyes
and i feel like i'm falling
but it's not surprise

[Chorus]

Cos it's frightening to be
swimming in this strange sea
but i'd rather be here than on land

yes she's all that i see
and she's all that i need
and i'm out of my league
