Have you got a feelin' botherin' you like a bumble bee  
Give yourself room for breathin' love you 'til you're fit  
to be  
Tied...do you need a place to hide  
Can you be believin' what they told you yesterday  
Looks can be deceivin', you look like you're runnin'  
away  
Why...if you don't stop you'll die  
Everyone lookin' at my girl  
Everyone thinkin'bout my girl. So tough  
Everyone birdoggin' at my girl  
You can take her if you got enough  
You better fly  
The love gangster gonna make y'cry  
Policeman on the corner another one down the street  
Kinda makes you wonder what you gonna do with your  
feet  
An' it ain't no lie...everybody gonna need a place to  
hide  
Yes...the love gangster gonna make you cry  
You need a place to hide
