By Stephen Stills

Woman woman
Can I tell you about my girl
She's lost and gone away
Don't know where she's goin'
Wish she'd come home to stay.
Woman woman woman woman
Ese mujer me ha mentido
Como mujer eres niÃ±a
Vive en un mundo sin paredes
Inocentemiento no lo crees querida
And when you think of me
Try to remember
All of the good times
And love that was tender
