Roots are burnin'  
but still they keep  
on producing  
I can see the green  
that you carry  
cause I'm the very  
first one to know  
you know, they will  
reduce you and drive  
you round the bend  
a stranger sits down  
leaving me - with  
his eyes inside  
cuz I got this  
personal intention  
this thing called pride  
so now visit me  
cause there was a  
time in my life when  
I could only see the  
problem and not  
the solution so  
I had to be divine.

You betta be divine  
you betta keep  
it all in mind  
betta be divine  
you betta leave  
it all behind  
cause you got  
me going on  
you got me going  
on in time - what is  
your decision.

Oh yeah your love  
is gonna break  
you yeah got me  
running but  
I feel much betta

oh yeah your love  
is gonna break  
feel me baby  
that would  
be much betta  
running  
betta be divine

This love is just  
enough for you  
so baby realize it  
gotta let it enter you  
and let it find a body  
so stop runnin'  
cuz while we are here  
and the fear is gone  
all gone  
well I got myself  
got me running on and I say  
you betta be divine.

You betta be divine  
you betta keep  
it all in mind  
betta be divine  
you betta leave  
it all behind  
cause you got  
me going on  
you got me going  
on in time - what is  
your decision.

Moving planets - lyrics  
like magnets - touching  
your brain and I maintain  
betta be divine - cause  
we are illusioned -  
therefore we cannot see  
how can this be overcome  
this divine energy  
how can we comprehend  
this divine energy  
I surrender myself  
and I cross beyond  
betta betta betta  
hmm I'm feeling so much...

You betta be divine  
you betta keep  
it all in mind

betta be divine  
you betta leave  
it all behind  
cause you got  
me going on  
you got me going  
on in time - what is  
your decision.

Illusioned for eternity,  
how it's really meant to be  
cause now this divine energy,  
solution for eternity yes  
now betta betta betta oh I  
feel so much betta.
