Dizzy On The Rocks by Dizzy Man's Band
Yeah, come on everybody, come and sing with the
band (Oh yeah!)
Well, I want all of you to stand up and get with it
'till the end (Oh, yeah)
Right, come on
Oooh!

Well, come on, feel the rhythm
Raise your hands up high (Oh yeah!)
Now get yourself together
Try to grab the sky (Oh, yeah)

Ah, well, shake it to the left
Shake it to the right
Swingin', dancin', singin'
'Till you feel alright

Take 'em up, put them down
Stamp your feet on the ground
Take 'em up, put 'em down
Like you danced you used to twist and shout

Well, come on everybody
Come and get your pick (Oh yeah!)
Just act to where you want to
Then you get your kick (Oh, yeah)

Ah, well, shake it to the left
Shake it to the right
Swingin', dancin', singin'
'Till you feel alright

Take 'em up, put them down
Stamp your feet on the ground
Take 'em up, put 'em down
Like you danced you used to twist and shout

Just a little bit softer
Just a little bit softer
Just a little bit softer

Just a little bit softer

Just a little bit louder
Just a little bit louder
Just a little bit louder
Just a little bit louder

Come on, sing it!

Ah, ah, ah
Oooh!

Oh yeah!
Oh yeah

Ah, well, shake it to the left
Shake it to the right
Swingin', dancin', singin'
'Till you feel alright

Take 'em up, put them down
Stamp your feet on the ground
Take 'em up, put 'em down
Like you danced you used to twist and shout
