let's go to the beach by Dizzy Man's Band
Feel it in the air
taste it on my lips
sunny times are coming
Summerland is near
have communication
come along with me
have a celebration
for funny times are here.

Let's make joy, let's have fun
sittin' 'round the fire
have a good time and play your guitar

hey, come on and play with me
let's go to the beach
let's go to the beach together
hey, come on and play with me
let's go to the beach together.

Let's make joy, let's have fun
sittin' 'round the fire
have a good time and play your guitar
Let's make joy, let's have fun
sittin' 'round the fire
have a good time and play your guitar

Feel it in the air
taste it on my lips
sunny times are coming
Summerland is near
have communication
come along with me
have a celebration
for funny times are here.
