Money The Phoney by Dizzy Man's Band

Money the phoney, Money

Money the phoney, Money

Money, Money, Money

Money, Money, Money

Gee, I love that Money

Eventhough all the guys in the group say she's phoney

They don't like her, they don't dig her

And I don't care she wears a wig on the night before
the next

'Cause she's nice (No)

She's fine (No)

She's good (No)

She's mine (Hahaha)

She's nice (No)

She's fine (No)

She's good (No)

She's mine!

Money the phoney

Fat as a pony

Tooth as a boldy

Money, Money, Money

Money, Money, Money

Gee, they say she's phoney

But she's a pretty nutty groupie, always sings for a
rupee

They say I'm so cupid, I'm her puppet (On a string)

But even bound to get a joy as we use her as a toy

She's nice (No)

She's fine (No)

She's good (No)

She's mine (Hahaha)

She's nice (No)

She's fine (No)

She's good (No)
She's mine!

Money, Money, Money
Money, Money, Money

Money, Money, Money
Money, Money, Money

She's nice (No)
She's fine (No)
She's good (No)
She's mine (Hahaha)

She's nice (No)
She's fine (No)
She's good (No)
She's mine!

Money the phoney (Money, my Money)
Money the phoney (Fat as a pony!)
Money the phoney (M-m-m-m-money)
Money the phoney (Good lesser Money)

Money the phoney (M-m-m-m-money)
Ahaha
Please come in, Money

Money the phoney (You don't get Money)
Money the phoney (You don't get Money)
Money the phoney (You don't get Money)
Money the phoney (You don't get Money)

Money the phoney (You don't get Money)
Aha!
