Sittin' in the jungle  
Waitin' for my uncle  
Waitin' 'till he takes me home

Been waitin' here for six days  
Couldn't find the right ways  
To find my way back home

But then a strange thing happened  
I saw a girl in a big canoo  
She was young and, oh, so pretty  
And her name was Tickatoo

Sittin' in the jungle  
Hoping that my uncle  
>Never, never, never will arrive

'Cause it's cosy at the place  
Lookin' all day at the face  
Of my brand new wife

In the morning we were married  
In the style of the Amazone's crew  
I just want to stay the rest of my life  
With a girl named Tickatoo

Sittin' in the jungle  
Waitin' for my uncle  
Waitin' 'till he takes me home

Been waitin' here for six days  
Couldn't find the right ways  
To find my way back home

But then a strange thing happened  
I saw a girl in a big canoo  
She was young and, oh, so pretty  
And her name was Tickatoo

Tickatickaticka  
Tick, tickaticka

Tickatickatoo (My girlie)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo

In the morning we were married  
In the style of the Amazone's crew  
I just want to stay the rest of my life  
With a girl named Tickatoo

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo (My girlie)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo (Everybody now)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo (Sing this song now)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo (Everybody now)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo (Everybody now)

Tickatickatoo  
Tick, tickatoo (Everybody now)  
Tickatickatoo (Everybody now)

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo

Tickatickatoo  
Tick, tickatoo  
Tickatickatoo
