Turkey Turkey  
you're a lovely country  
Turkey Turkey  
you're a cozy land.  
You're the land of chiskebab and raki  
You're the place of living I have planed.  
Places full of very friendly people  
Always trying to help you if they can.  
Turkey Turkey Turkey I adore you  
Turkey Turkey Turkey I love you

See the sun in the highmountains of bursa  
Feel the water at the izmir beach  
Join the belly dancers in ankara  
Istanbul has fun enough for all.  
Sailing on the bosporus is smashing  
Eating fish in a funny small cafe  
Turkey Turkey you're a lovely country  
Turkey Turkey Turkey you're okay.

Turkey Turkey hershaman cenin askenlah janne jorom  
Turkey Turkey hershaman cenin askenlah tutus tum  
Turkey Turkey you're a lovely country

Bursa I was swimming in your warm springs  
Izmir how I loved your famousy  
Turkez Turkey Turkey you're so gently  
Turkey you are wonderful to me.
