Zig Zag City by Dizzy Man's Band

(Hey!)

(Hey!)

I left my home with some guy named Joe  
To find a place he mentioned some time ago  
He said to me: "It's a far out place  
It's a great place to get spaced

We drove for miles and the road was wet  
Our backs were hot and the engines red  
We asked a chick with a pretty face  
How to reach that far out place

Show me the way to Zig Zag City  
That is a place down in the country  
Where you can dance and have fun  
Drink sweet wine and have rum  
Have a time you'll never forget

We got out on a boat where we wanted to be  
Where the sky was blue and the kicks were free  
We met two chicks who were walking around  
And we sang along with the crowd

Show me the way to Zig Zag City  
That is a place down in the country  
Where you can dance and have fun  
Drink sweet wine and have rum  
Have a time you'll never forget

(Hey!)

(Hey!)

You ever went out of town where the sun shines bright  
We danced around a fire 'till it ope out of sight  
Hop a girl who was singing 'bout free intimate ride  
Of this place called Zig Zag City

Show me the way to Zig Zag City  
That is a place down out in the country

Where you can dance and have fun  
Drink sweet wine and have rum  
Have a time you'll never forget

Show me the way to Zig Zag City  
That is a place down in the country  
Where you can dance and have fun  
Drink sweet wine and have rum  
Have a time you'll never forget

Show me the way to Zig Zag City  
That is a place down out in the country  
Where you can dance and have fun  
Drink sweet wine and have rum  
Have a time you'll never forget

Show me the way to Zig Zag City  
That is a place down in the country  
Where you can dance and have fun  
Drink sweet wine and have rum
