Any more when I think of you
There is no separating me and you
We got a whole lot of work in there
And between us there's one heart beating

('Cos of your sweet love)
'Cos of love and devotion
(We see clearly now)
We can see clearly over the horizon

(Ain't no dream too high)
Ain't no dream out of touch
Anywhere around us
(Anywhere around us, anywhere)
(Anywhere around us, anywhere)

Takes my breath looking at you now
Girl don't you light up a room anyhow
The most fortunate man alive
Has to be me with you by my side

('Cos of your sweet love)
'Cos of love and devotion
(We see clearly now)
We can see clearly over the horizon

(Ain't no dream too high)
Ain't no dream out of touch
Anywhere around us
(Anywhere around us, anywhere)
(Anywhere around us)
(Just between us)

People keep telling us
Entirely too curious
Too much to say about
What we are doing

Probably jealous, baby
Don't let 'em come between us
(Don't let 'em come between us, baby)
No

(Come between us)

Every time that we are apart
(Time you're away)
More than a couple of days
Been a start
(Give it up)

Pining away for you
(Missing your love)
Girl I ain't lost I'm just missing you

('Cos of your sweet love)
'Cos of love and devotion
(We see clearly now)
We can see clearly over the horizon

(Ain't no dream too high)
Ain't no dream out of touch
Anywhere around us
(Anywhere around us)
Yes

Anywhere around us, anywhere
Anywhere around us
Anywhere around us
