Why can't you hear me  
Why can't you see me  
How can you be so blind to this feelin' in my heart  
Time is a'waistin'  
What have I tasted  
Can you turn a deaf ear to my call  
Both of us bound to lose  
Why do we have to choose  
Both of us bound to lose  
Now can you hear me  
Now can you see me  
How do you like the fool when he's down  
Is that really how you see me  
Just a statue making sounds  
The Fallen Eagle  
Sing to the fallen eagle  
Helicopters fly  
Chase him 'round the mountains  
Chase him 'til he dies  
They say that it's good sportin'  
Shootin' him on the wing  
Above the roar and clatter  
You can hear your rifle sing  
his death song  
it won't be long  
Sing to the western rancher  
The eagle takes his lamb  
He's got a thousand others  
He don't give a damn  
Get up with the sunrise  
Everybody gather 'round  
Kill him with the first shot  
He'll turn and bring you down  
down down  
crash on the ground  
Sing to the noble eagle  
Help is on the way  
A government team of experts  
Is a'rushin' to your aid  
I know your not excited  
An eagle is no waif  
Fly on up to Canada

This country isn't safe  
anymore  
that's for sure
