New York City years ago  
Tourists in the rain  
Singin' on the swing shift  
For pennies

Thinkin' 'bout the bayou  
Cajun river song  
It almost got my head broke  
In Texas

Purple Peacock, Honky Tonk  
Eunice, Louisiana  
Bourbon whiskey free, son  
Just tune up the piano

Workin' clubs in New Orleans  
Bringin' down a dollar  
College boys drink beer  
And throw the bottles

It's been a long, long, long way  
I got some more to go  
Don't look at my shadow  
It's behind me

It's been a long, long, long way  
In twenty years or so  
Thinkin' 'bout those times  
Might amuse me

It's been a long, long, long way  
I got some more to go  
Don't look at my shadow  
It's behind me  
It's been a long, long, long way  
In twenty years or so  
Thinkin' 'bout those times  
Might amuse me

L.A., Forum Sports Arena  
Twenty thousand fans  
Gals, you come to listen, I'm gonna

Give you everything I can

I've always had to play my music  
Play it best I could  
Hope you're on the stands  
And get me good

You know that California dreamin'  
Nearly put me down for good  
Colorado, Rocky Mountains  
Saved my senses

It's been a long, long, long way  
I got some more to go  
Don't look at my shadow  
It's behind me

It's been a long, long, long way  
In twenty years or so  
Thinkin' 'bout those times  
Might amuse me
