(Stephen Stills)

Think I'll go back home

Think I'll go back home

Think I'll go back home

Back where I belong

Think I'll go back home

Nothin' for me here

Nothin' for me here, child, no there ain't

Nothin' for me here

People trapped by fear

And you can't get near

Lived with you I felt

Lived with you I felt, child

Lived with you I felt

I was by myself

I was someone else

Babe, come home with me

Babe, come home with me now

Babe, come home with me

And I'll make you see

Yes, I'm gonna set you free

When I woke up this morning

I found that I was alone, yeah

Till I called your number

They told me there's no one home again

Baby, what does it mean?

Is it like it seems?
