If you do grow  
Then you must know  
When you get so jive  
You only half alive

Show me right now  
That you know how  
You can stand up  
Look in a mirror and sigh

Get your feet wet  
Run with the jet set  
Be a good girl  
Go around the world

But the longer it goes on  
The harder you hang on  
Till you stand up  
Look in a mirror and sigh

Try to be cool  
You just be the fool  
Let it be known  
You ain't full grown

And its all right  
Don't put up such a fight  
You can stand up  
Look in a mirror and sigh
